

COSCON e-Business features

COSCON EUROPE ISD

May 2015

<http://ebusiness.coscon.com>

Public features:

- Sailing schedule enquiry
- Vessel particulars enquiry
- Cargo tracking
- Customs enquiry
- SC enquiry
- Rate quotation request
- DND Rate enquiry

Registered features:

- Arrival Notice subscription
- eMail notification
- EDI messages
- E-Booking
- Online Shipping instructions
- Online BL-checking
- B/L Remote printing
- Individual customer report

Top features:

Simple registration („Register“):

- Possibility to subscribe for schedules to be sent by eMail

Certified registration („Certified User Registration“):

- Connect registration with SAP ID, also possible with more than one SAP ID. This option is very useful when using the BL checking or BLRP feature due to not for every SAP ID a new eB UserID need to be created. As „Certified user“, customer can enjoy all features of eBusiness like electronic Booking, electronic Shipping Instruction (SI), etc. Online B/L-printing only after signing a separate agreement with COSCON HQ.
